Members— \$420
Non-Members— \$450

Deposit Required: \$150

*\$50 Cancellation Fee until May 15th
No refunds after May 15th
Balance due by June 15th*

Aline is known for her vivid paintings and creative use of color. Working from their own photo references, students will transform these into pastel paintings using the principles of color and design.

Aline will do a demonstration each morning changing the subject from landscape to still life to figures in keeping with her guiding principle that it is about understanding color, technique and values that create a great painting of any subject matter. Aline gives a lot of attention to each student geared towards their individual level and ability.
